KC
film

Kansas City is more than just a stellar filming destination with a local film incentive—it's a city that thrives on creative energy, one that's constantly pushing artistic boundaries. When you film here, you'll find colorful neighborhoods with character, imaginative architecture and design that wows. Historic to modern, prairies to urban alleyways and skyscrapers, KC demonstrates time and again that it's a diverse location that exudes excitement.

ABOUT KANSAS CITY FILM

The mission of the KC Film Office is to develop, grow and sustain the Kansas City production industry by promoting the city as a destination for filming and filmmakers. The office represents both sides of the state line and works closely with productions to assist in every aspect of the filming process.

FILM INCENTIVE

The City of Kansas City and the KC Film Office at Visit KC have introduced a local film incentive that encourages and supports a wide variety of productions.

Highlights:

- No sunset
- Up to a **10% cash rebate** on qualified expenditures
- Qualifying project types: feature film, TV, commercial, music video and short film
