We will do everything possible to minimize the impact of our production on your neighborhood. If you have concerns (scheduled deliveries, construction, accessibility needs, etc.) that must be addressed, please call the Locations Department at **PHONE NUMBER**. We will do everything possible to find a mutually agreeable solution.

We are grateful for your cooperation and contribution to help make this location shoot a success. We appreciate your support in the city's efforts to support filmmaking in and around Kansas City.

We have been in contact with and are working in full cooperation with KC Film Office, a division of Visit KC, and Steph Scupham may be contacted to verify our credentials at film@visitkc.com. We are also working with all necessary city departments in the making of this project.

Thank you in advance for your understanding and consideration.
